

Introduction An expression of Saudi Arabia in the past and present

History has recorded the civilizational development of the lands of the Kingdom of Saudi Arabia on the sands of the vast desert and in the most pure areas of the earth. This region was in which wars were many and sometimes reached the point of destruction and destruction, and this resulted in the presence of many victims, in addition to the drowning of many in the .darkness of ignorance and poverty

However, the matter did not remain at this level of deterioration and tyranny. Rather, after the passage of many days and years, the best of creation, the Messenger of God - may God bless him and grant him peace - came to guide all those who went astray in .ignorance

In that mission, he relied on the light of faith, thanks to the truth that was incumbent on him, and then, after the dawn of Islam, the Messenger was able to spread his light and mercy on all the lands of the Kingdom, and the .Sacred House of God became a dwelling place in it

Introduction to a short essay on Saudi Arabia

In the aftermath of the events that the Kingdom went through came many periods of time, the most prominent of which was the era of the establishment of the first Saudi state, and in an expression of Saudi Arabia it was

mentioned that at this time the reformer Sheikh Muhammad bin Abdul Wahhab and Imam Muhammad bin Saud, may God have mercy on him, united under the banner of the call of truth which was raised by Sheikh .Al-Musleh

Which was based on what we have reached with the guidance of the best creation of God, the Messenger of God, Muhammad - may God bless him and grant him peace - and which was founded on the Noble Qur'an, the teachings of Islam, and the precious Sharia that God .Almighty chose for us

One of the origins of the call was to restore Islam to its original principles and standards as taught by our noble Prophet, and based on the honorable Sunnah of the Prophet in this virtuous spirit, the first Saudi state appeared and included most of the regions of the Arabian Peninsula, which later developed and changed its name to the state of the Kingdom of Saudi Arabia, .which has the greatest impact on All times

Founding of the Kingdom of Saudi Arabia

In our talk about an expression about Saudi Arabia, it is necessary to say that the value of the founding period of the Kingdom of Saudi Arabia does not lie in the number of years that have passed as much as it is in the value of the sacrifices that were made for the sake of this .country and the wise leadership that it enjoyed

Founding Day is one of the most important modern national holidays in the history of the Kingdom of Saudi Arabia, whose roots go back three centuries

The period of time between the fall of the first Saudi state in 1818 AD and its unification in 1932 AD was the real motive for this state, whose translation appeared at the end of the road after a long period of time in the unification of the Kingdom of Saudi Arabia

Foundation Day is the day established by the King by virtue of a royal decree issued on January 27, 2023 AD, in which it was announced that February 22 of each year is considered a national holiday for the Kingdom of Saudi Arabia under the name of Foundation Day in honor of the day Imam Muhammad bin Saud Al-Qarni decided to establish the state

According to the important and subsequent events that led to the establishment of the contemporary kingdom, the first Kingdom of Saudi Arabia was established on February 22, 1727 AD, and this date was chosen to honor Imam Muhammad bin Saud, the imam and founding father for his pioneering work three centuries ago

The National Day of Kingdom of Saudi Arabia

Despite the fact that the National Day and the Founding Day are important national holidays in the history of the

Kingdom, it should be noted that there is a difference between the two days in terms of historical importance

The day that corresponds to February 22, 1727 AD is the founding day because it represents the meeting of the reformer, Sheikh Muhammad bin Abd al-Wahhab and Imam Muhammad bin Saud al-Qarni, and the subsequent announcement of the start of the establishment of the first Saudi state and the spread of the reformist call

The unification of the Kingdom of Saudi Arabia under the leadership of King Abdul Aziz bin Abdul Rahman, may God have mercy on him, was announced on September 23, 1932, which is the country's national day

The city of Diriyah appeared for the first time in history in 1446 AD, corresponding to 850 AH, and it is worth saying that at that time the tribes and regions were subject to divisions and subordination, so the city was free to govern itself without the need for someone to hold the reins

It was founded by Prince Manea bin Rabia Al-Muraidi, the grandfather of Imam Muhammad bin Saud, and after a succession inherited from the princes, Prince Muhammad took control of it in 1720 AD, and since then it became the capital of the first Saudi state until 1744 AD, and the celebrations of the National Day and the founding day took place there

Announcing the formation of an important turning point
.in the history of the Kingdom

Where the Holy Qur'an was considered the Kingdom's
constitution and its official language after the unification
of the Kingdom under the name of the Kingdom of Saudi
.Arabia

The legendary King Abdulaziz was an excellent leader
and initiated the process of modernizing the country by
building the country's infrastructure, building buildings,
.and world-class systems in technology

His Majesty King Salman bin Abdulaziz, the last of his
six sons, remains the reigning monarch of Saudi Arabia
.as of this writing and has broad-minded visions

Conclusion, an expression on Saudi Arabia

After talking about an expression of Saudi Arabia in
detail, it should be acknowledged that there are periods
of time full of important events from the past of any
country, and the history of the Kingdom of Saudi Arabia
was full of occasions and events that were followed by
many successive sacrifices of the blood of the Saudi
people and their leaders, and the founding day is a
reflection of an important stage Among these important
turning points in the history of the Kingdom, which
.extends for three centuries
